McLean, member of the New Jersey Legislature, late of the United States Navy, has kindly sent us the following certificate It tells its own story: Rahway, January 25, 1847. A year since I was taken with the influenza and my whole system left in a debilitated state. I was induced to try Dr. Townsend's Sarsaparilla, and after taking two or three bottles I was very much relieved, and attributed it entirely to the said Sarsaparilla I have continued ta

king it, and find that I insprove every day. I believe it saved my life, and would not be without it under any consideration.

The Editor — John Jackson, Esq., Editor of the Rahway Republican, published the above certificate, and remarked in an editorial as follows: The success of Dr. Townsend's preparation of Sarsa parilla appears to be of the most extraordinary character. We publish to-day two certificates in its behalf one from Capt. McLean, of this town, and one from Rev Mr. White, of Staten Island, a gentlemsn well known in Rahway.—Capt. McLean believes the medicine to have saved his life, and Mr. White seems to entertain an equally strong confidence in its efficacy. Intelligent mer like these would no praise so s rougly what they did not fully believe to deserve it. SCROFULA CURED.—This certificate was handed in to Dr. Townsend's office this week, and conclusively prove that his Sarsaparilla has perfect control over the most obstinate diseases of the blood. Three persons cured in

me house is unprecedented THREE CHILDREN. Dr. Townsend-Dear Sir: I have the pleasure to inorm you that three of my children have been cured of he Scrofula by the use of your excellent medicine. They were afflicted very severely with bad sores; have taken only four botties; it took them away, for which the public that he has opened that large I feel myself under deep obligation. Yours respectfully, ISAAC W. CRAIN, 106 Wooster street.

She has tried may different remedies to obtain some relief, but all to no ourpose. She was finally induced, by seeing your advertisement, to give your Sarsaparilla a trial. ured some of it from your agent (Mr. Van Buskirk) and it gives me pleasure to state that after using it she experienced great relief, and was in a very short time per feetly cured. I was also (together with a man in my employ) badly troubled with piles, and by using a small quantity of your Sarsaparilla, our complaint was completely cured. I consider it one of the best of medicines, and would advise all who are afflicted to give it a trial. GARRIT GARRABRANT,

Dr. Townsend's Sarsaparilla is sovereign and speedy or whites, obstructed or difficult menstruation, inconnence of urine, or involuntary discharge thereof, and or the general prostration of the system-no matter whether the result of the inherent causes, or produced y irregularity, illness or accident. Nothing can be more surprising than its invigorating ffects upon the human frame. Persons all weakness d lassitude before taking it, at once become robust and full of energy under its influence. It immediately ounteracts the nervelessness of the female frame, which is the great cause of barrenness. It will not be expected of us, in cases of so delicate a nature, to exhibit certificates of cures performed, but we can assure the afflicted that hundreds of cases haves Silk Warp been reported to us. In a short time it removed her complaints and restored her to Dr. Townsend.—To all whom this may concern: This is to certify, that my wife used one bottle of your Sarsaparilla previous to her confinement, under the most alarming and delicate circumstances, being troubled with Pencilling and Marking Brushes, Whitewash the dropsy, swelling of the feet, nervous affections, and very much debilitrted. With my persuasion, and the re-commendation of those who had used it, she was induced to try it, with little or no faith; and suffice it to say, the medicine had the happy and desired effect, not only in the hours of confinement, but after the expiration of one week of its use, the dropsy and nervous affection gave way to an astonishing degree, and her health is now better than it had been for a long time previous. If this will be of any service to you, or any who doubts he success of the medicine, you are entirely welcome o it. I subscribe myself your most obedient and obliged S. S. JAMESON.
